PERSONAL SUMMARY

I am a Lawyer from two jurisdictions, Ghana and the Gambia Law School experienced in legal research, drafting and client consultations through internships. I am looking forward to applying all that I have acquired from these respectable establishment to enhance and make my life and that of others better. I constantly want to build up these abilities in an increasingly constructive and advance condition.

My desire is to add to the accomplishment of any foundation I end up in and to build up my logical abilities and information to help myself, my nation, and the world at large.
