PROFESSIONAL EXPERIENCE

Senior House Officer — Paediatrics Unit and Surgery Unit

Tetteh Quarshie Memorial Hospital — January 2025 to January 2026

- Independently and jointly managed over 2,000 patients of varying ages and conditions, applying internationally approved clinical guidelines to improve outcomes and reduce complication risk.
- Performed minor surgeries such as appendectomies and assisted in major surgeries.
- Taught and mentored approximately 30 medical herbal interns during their clinical rotations through ward rounds and academic presentations, strengthening their diagnostic and treatment skills.

Junior House Officer — Obstetrics & Gynaecology Unit and Internal Medicine Unit

Korle-Bu Teaching Hospital, Accra — May 2023 to May 2024

- Provided comprehensive inpatient and outpatient care to more than 3,000 patients, ensuring high-quality management, complication prevention, and delivery of preventive health interventions.
- Assisted in elective and emergency obstetric and gynaecological surgical procedures.
- Appointed Lead Junior House Officer, supervising roughly 40 junior doctors, coordinating duty schedules and ad hoc role assignments.
- Served as liaison between colleagues and senior staff, addressing operational and clinical concerns.

RESEARCH & ACADEMIC PRESENTATIONS

- General Clinical Meeting**, Tetteh Quarshie Memorial Hospital (September 2025) — Presented on early identification and management of sepsis to improve patient outcomes and reduce mortality.
- Mortality Audit**, Tetteh Quarshie Memorial Hospital (June 2025) — Presented an in-depth case review of a fatal stroke in the Emergency Department, identifying management gaps and actionable recommendations.
- General Clinical Meeting**, Dept. of Obstetrics & Gynaecology, Korle-Bu Teaching Hospital (April 2024) — Presented on diagnosis, management, and prevention of Pelvic Inflammatory Disease.
- Final Year Dissertation**, Community Health Department, UGMS (August 2022) — Assessed junior doctors' knowledge and attitudes toward vaccine uptake at Korle-Bu Teaching Hospital via structured questionnaires.

LICENSES & CERTIFICATIONS

- Permanent Registration as a Medical Practitioner, Ghana — 2026

WORKSHOPS, SEMINARS & TRAINING

- Identifying Childhood Cancers** — World Childhood Cancers seminar on early detection of paediatric malignancies (September 2025).
- Stop the Bleed Workshop** — American College of Surgeons, hands-on haemorrhage control training (May 2025).
- Invasive Fungal Diseases Workshop** — Pan-African Mycology Working Group, updated diagnostics and treatment strategies (January 2024).

LEADERSHIP EXPERIENCE

- Lead House Officer**, 2023/2024 Cohort (Internal Medicine & OBGYN), Korle-Bu Teaching Hospital — liaised between junior doctors, senior staff, and administration; drew up duty schedules.
- Member, Academic & Editorial Boards**, UGMS Class of 2022 (2017–2020) — curated study materials and co-authored community health diagnosis reports for policy use.
- Protocol Prefect & SRC General Secretary**, Mfantsipim School (2015/2016) — maintained student discipline and represented student interests to administration.

COMMUNITY ENGAGEMENT & VOLUNTEERING

- **Main Speaker**, Sickle Cell Week Celebration, Akropong Presbyterian Training College (June 2025) — delivered health education to an audience of ~1,000 students and faculty.
- **Health Screening & Outreach**, Agona Asafo, Central Region, with Major Donkor Foundation (September 2024) — screened and educated over 200 community members on diabetes and hypertension.
- **Medical Outreach**, 13th All-African Games (March 2024) — screened and educated about 150 community members on chronic disease with the Bible Society of Ghana and Ghana Sports Movement.
- **Research Volunteer**, Health Assessment of New Adoteiman Residents, Madina (July 2022) — supported data collection and analysis of community health indicators.
- **MOMIC Cervical Cancer Awareness Project**, UGMS Class of 2022 (October 2018) — helped screen 100 market women at Makola Market and raised funds for a colposcope donated to Korle-Bu's gynecology department.

SKILLS & QUALITIES

- **Clinical**: Patient management, diagnostics, emergency & ward care, clinical teaching and mentorship
- **Professional**: Leadership, effective communication, time management, teamwork, problem-solving, adaptability
- **Languages**: Fluent in spoken and written English
- **Technical**: Microsoft Office Suite, SAS, Literature Review
